Activity Guide

Rockpool Discovery

Become a marine biologist by discovering our local rock platform animals. You'll be amazed at how special these creatures really are! **Cost:** \$2 child / concession, \$4 adult, \$10 family (2A, 2C).

Snorkelling Adventure - Beginners

Qualified instructors will provide basic skill training followed by a snorkel along Haven reef. The session will include a briefing about the ecology of the rocky reef and the marine life we will expect to see. Minimum Age 9 years. Reasonable swimming competence is essential. **Cost:** \$35 per person (must bring own wetsuit, mask, snorkel & fins).

Snorkelling Adventure - (some experience necessary)

A quick refresher on basic skills then an exploration of the reefs at the Haven. Experience a sea urchin walking over your hand, see the sting rays, the blue groper and shells! Minimum Age 9 years. Reasonable swimming competence is essential. **Cost:** \$35 per person (must bring own wetsuit, mask, snorkel & fins).

Funky Bugs at Katandra

It's time to head to the rainforest and get up close & personal with the little critters that live among us! Hunt for the amazing mini-beasts that live in Seymour Pond. **Cost:** gold coin donation per person

Reefwatch Training

Are you interested in becoming a citizen scientist? Learn about scientific techniques in monitoring rock platforms - and join a team of community people willing to monitor the health of our rocky shores. **Cost:** Free

Little Urchins Kids Club

Book your child into our Little Urchins Kids Club. We will spend the day exploring the magical marine environment - including a tour of the Marine Discovery Centre, feeding the fish, marine & beach craft, discovery of the local rock platform and sand modeling a marine creature. Ages from 6 to 10 years. Children to bring a packed lunch. **Cost:** \$20 per child. Maximum 6 children on any day.

Music by the Lagoon

Enjoy a late Sunday afternoon listening to a selection of Summer music by the Central Coast Conservatorium. Bring a chair / rug and a picnic to enjoy. (Refreshments also available at the CCMDC). **Cost:** Gold Coin Donation. Sponsored by the Central Coast Conservatorium and Gosford City Council. (No bookings necessary)

World Wetlands Day Breakfast by the Lagoon

World Wetlands Day occurs on 2 February each year. Join us for a talk about the importance of wetlands followed by breakfast on the verandah. Numbers limited. **Cost:** \$20 per person.

Marine Festival in the Park

A celebration of all things marine - come along to the park and have some fun! Jumping castle, face painting, stalls, food, music, information and kids activities. Special price for admission to the Marine Centre - gold coin donation. (No bookings necessary)

Bookings essential for all activities unless otherwise stated - Ph: 0438 555 619 or email: admin@ccmdc.org.au Numbers are limited for many of the activities so book early!
